Subject: NVIE Edge Pro Product

Dear Valued Customer:

It is our understanding that you purchased NVIE Edge Pro on or before August 2014 from either NVIE Nutrition, LLC or Muscle Foods, which distributed products for NVIE. If that is not the case, you can ignore this letter.

Earlier this year, one of our affiliates acquired certain assets of NVIE Nutrition. That is how we learned of your purchase of NVIE Edge Pro, which contains an ingredient called picamilon. We recently learned that the U.S. Food and Drug Administration does not consider picamilon to qualify as a dietary ingredient for use in dietary supplements. We are not aware of any indication that NVIE Edge Pro poses any health risks when consumed as directed. Nevertheless, as a premier manufacturer committed to high quality, ethical and moral standards, SDC Nutrition is taking a proactive approach to this issue. We ask that you discard any remaining NVIE Edge Pro in your possession, and we will replace it with new product free of charge. Please note that **NVIE Edge Pro 2** is not affected by this notice because that product does **not** contain picamilon.

Please contact Mallory Lambert with any additional questions or concerns at 412-275-3351 x200.

We appreciate your business and apologize for any inconvenience.

Regards,
